ALLOW US TO TAKE YOU ON A JOURNEY OF THE SENSES

*'Enivrez-vous; enivrez-vous sans cesse!
De vin, de poésie ou de vertu, à votre guise'*
'Get drunk; be ceaselessly drunk!
Whether on wine, poetry or virtue, as you wish'
Charles Baudelaire,
'Enivrez Vous' Le Spleen 1864

THE TEMPTATION FOR INDULGENCE

Always wanted to try that luxury wine, but don't want to commit to the whole bottle?
State of the art Coravin technology allows us to extract a glass of wine from the
unopened bottle, keeping the wine protected from oxygenation.

Bimbadgen

PRODUCER PROFILE

BIMBADGEN

For well over a century, Hunter Valley wine growers have refined variety, technique, and style to achieve universal recognition and acclaim for its long-lived Semillon, full flavoured Chardonnay and elegant Shiraz. These three classic varieties are the primary focus of Bimbadgen's Hunter Valley vineyards.

The red volcanic soils that run along the crest of the valley are perfect for the cultivation of premium Shiraz; while Semillon thrives on the ancient sandy loam of the valley floor. The soil profile can change in a matter of a few steps, allowing us to craft distinctive, site-specific wines that express not only the characteristics of the Hunter Valley and the vineyard site, but of the individual blocks within.

As Bimbadgen's vineyards are over 50 years of age, the low yielding production is delivering wines of prestige, intrigue, balance and finesse like never before.

SONS OF EDEN

PRODUCER PROFILE

SONS OF EDEN

Established in 2000, Sons of Eden is intimately involved in all aspects of crafting wines of unquestionable quality, from the vineyard right through to the bottle.

Corey Ryan and Simon Cowham both learnt and refined their skills in the Eden Valley. Corey is a trained oenologist with over 20 vintages under his belt, having cut his teeth as a winemaker at Henschke. Thereafter he worked for Rouge Homme and Penfolds in Coonawarra, backed up by winemaking stints in the Rhône Valley and in NZ for Villa Maria Estates.

Simon has had a similarly international career covering such diverse organisations as Oddbins, UK, and the Winemakers' Federation of Australia. Switching from the business side to grape growing when he qualified as a viticulturist, he worked for Yalumba as technical manager of the Heggies and Pewsey Vale vineyards. With these backgrounds, it comes as no surprise to find that the estate-grown wines are of outstanding quality.
