ALLOW US TO TAKE YOU ON A JOURNEY OF THE SENSES

*'Enivrez-vous; enivrez-vous sans cesse!
De vin, de poésie ou de vertu, à votre guise'*
'Get drunk; be ceaselessly drunk!
Whether on wine, poetry or virtue, as you wish'
Charles Baudelaire,
'Enivrez Vous' Le Spleen 1864

THE TEMPTATION FOR INDULGENCE

Always wanted to try that luxury wine, but don't want to commit to the whole bottle?
State of the art Coravin technology allows us to extract a glass of wine from the
unopened bottle, keeping the wine protected from oxygenation.

PRODUCER PROFILE

BIMBADGEN

For well over a century, Hunter Valley wine growers have refined variety, technique, and style to achieve universal recognition and acclaim for its long-lived Semillon, full flavoured Chardonnay and elegant Shiraz. These three classic varieties are the primary focus of Bimbadgen's Hunter Valley vineyards.

The red volcanic soils that run along the crest of the valley are perfect for the cultivation of premium Shiraz; while Semillon thrives on the ancient sandy loam of the valley floor. The soil profile can change in a matter of a few steps, allowing us to craft distinctive, site-specific wines that express not only the characteristics of the Hunter Valley and the vineyard site, but of the individual blocks within.

As Bimbadgen's vineyards are over 50 years of age, the low yielding production is delivering wines of prestige, intrigue, balance and finesse like never before.

Coates

Our Bar Manager, Tamara seems to weave the topic of Coates into our daily life here at Edgewater. What better tribute then dedicating a page to her favorite winery?

She loves the smooth and approachable Iberian, with its medium tannins yet bold character. As for the Reserve Chardonnay, she describes it as the epitome of oakiness and elegance, a true standout among Chardonnays.

COATES

Duane Coates is, by his own admission, a 'heart over head' winemaker. Inclined to make wine from almost any interesting parcel of fruit made available to him, he tends to make accountants wince. For Duane, making great wine is not about business decisions; it's about curiosity, passion, and a little bit of folly.

Duane's broad knowledge and deep understanding of wines from across the world informed his no-compromise approach to crafting wines that blend the best in Australian and European winemaking styles, producing wine through natural yeast fermentation and avoiding fining agents and enzymes. He continually builds bridges between the fruit-driven Australian styles and the savoury, complex wines of the Old-World.

'Soulful' is the word that Duane likes to use when describing his wines. It's not a word used a lot in the industry, yet it perfectly defines his aspirations. Duane makes wines that express purity of flavour and articulate regional and varietal distinctiveness. In today's climate of ego-driven vinous pursuits, Duane's wines represent unrivalled value.

The problem with the designated driver program, it's not a desirable job, but if you ever get sucked into doing it, have fun with it. At the end of the night, drop them off at the wrong house'
